

Ken Prue
Recycling Program Manager
City of San Diego
Environmental Services Department

BIOGRAPHY

As the Recycling Program Manager, for the City of San Diego, Ken Prue is responsible for leading a creative and high performing team that oversees the planning, development, and implementation of citywide efforts to achieve State mandated waste diversion goals and long-term solid waste management needs. This includes the development and implementation of the City's Zero Waste Plan, recycling ordinances and a wide variety of waste reduction and recycling programs.

He is a graduate of San Diego State University, with a degree in Public Administration. Ken has been with the City of San Diego's recycling program for 18 years, and before joining the City, he spent four years with the County of San Diego's Recycling Program.
